Resilience & Renewal

Diocesan Convention 2025

CALL TO THE 2025 DIOCESAN CONVENTION

Join us for the 130th Annual Meeting of Convention of the Episcopal Church in the Diocese of Los Angeles: Resilience & Renewal on Friday and Saturday, November 7 and 8, 2025 at the Riverside Convention Center at 3637 5th Street, Riverside 92501.

This year's Convention is an historic one as the diocese marks the final year of the Rt. Rev. John Harvey Taylor's nine-year episcopate and delegates gather to elect the VIII Bishop of Los Angeles.

All information is also available on the Diocesan Convention website!

www.diocesela.org/convention

Attendance: Diocesan Convention 2025 will be an in-person event on Friday and Saturday, November 7 and 8, at the Riverside Convention Center at 3637 5th Street, Riverside 92501.

The business sessions, including Eucharist, will be livestreamed on the diocesan [Facebook page](#) and [YouTube channel](#).

Pre-registration is not required but guests must check in at the Information Table. Guests are also welcome to attend the lunch buffets and Friday Night Dinner.

Schedule: Convention will be called to order on Friday morning at 9:00 a.m. with Holy Eucharist, and recess by 6:00 p.m. that evening.

Business will reconvene on Saturday at 10:00 a.m. and will conclude by 4:00 p.m.

In the unlikely event that a candidate for Bishop has not been elected by 3:30 p.m. on Saturday, Convention will not adjourn that afternoon; instead, Convention will recess and reconvene on Sunday, November 9 at 2:00 p.m. at All Saints' Episcopal Church in Pasadena.

Voting: Voting will be done electronically. Delegates will be assigned a voting device at Registration. There will be no remote voting.

A guide on "Who is eligible to vote at Diocesan Convention 2025?" is in this packet of materials starting on page 16 and can also be found [here](#).

Open elective offices, the current slate of candidates, and the nomination form can be found [here](#). This year includes an election for deputies to General Convention 2027 to be held in Phoenix, AZ.

See the [Special Rules of Order](#) from the Standing Committee for more information about how this election will take place.

One proposed amendment to the diocesan Constitution and two resolutions have been submitted for consideration at Convention. The text of these is in this packet starting on page 8 and are also published [here](#).

Margaret Parker Lecture: This year's Convention will feature the biannual "Margaret Parker Lecture," a series that honors the life and ministry of the late Canon Margaret Parker by addressing topics of peace and justice through the empowerment of women. Delegates and visitors are also welcome to dine off campus during the lunch break. No outside food is permitted in the Convention Center.

Youth participation: Each Deanery is entitled to one youth delegate to serve as a representative for the deanery with full seat, voice, and vote, the same way an adult lay delegate would represent a congregation. To nominate someone to serve as a youth delegate from your Deanery, please complete the form [here](#).

Exhibit Hall: We will be hosting the annual Exhibit Hall in the Upper Concourse. All are welcome to sign up to host a booth; tables are \$150 for the first table and \$75 for every additional table. More information about the Exhibit Hall and exhibitor registration can be found [here](#). The price of a booth comes with table(s), chairs, and Wi-Fi. Access to an electrical outlet is a small additional charge. Ad space is also available in the booklet.

Childcare: We will have childcare providers onsite to care for children during Convention (8:30 a.m. – 6 p.m. on Friday; 9:30 a.m. to 4:00 p.m. on Saturday) in a breakout room adjacent to the Raincross Ballroom. Toys, activities, snacks, and meals will be provided. There is no charge for childcare, but donations are appreciated. Please pre-register for childcare [here](#) so we can plan accordingly.

Clergy Spouses: As in previous years, a separate room will be set aside for clergy spouses attending the convention, hosted by Canon Kathy O'Connor, wife of Bishop Taylor. For planning purposes, Canon O'Connor requests that spouses let her know if they will be attending the convention. Clergy spouses who did not receive her previously sent invite but would like to be included on the spouses'

list may send names and email addresses to Canon O'Connor at mizkoc@gmail.com or to news@ladiocese.org.

Stillpoint Chapel: During Convention, all are invited to take a moment to be still, pray, and reflect in the Chapel hosted by Stillpoint in MR3 downstairs. There will be silent prayer during Convention breaks; there will also be a Centering Prayer Circle on Friday and Saturday morning from 8-8:30 a.m. before business begins.

Clergy Portrait Photography: Clergy are invited to have an individual portrait photograph taken on Friday in MR1 downstairs from 10 a.m.-7:00 p.m. Clergy who did not have their photos taken during Convention in 2023 are especially encouraged to be photographed this year. Photos will be taken at no cost to clergy, and images will be made available to the diocesan Communications Office for future use in digital publications.

In addition, clergy may purchase retouched photos (digital files) from the photography studio at a price of \$20 for one pose or \$40 for up to three different angles, each retouched. The digital files then can be printed on home or office laser printers, or at a retail outlet. For the photos, clergy are asked to wear a clerical collar with clerical shirt or blouse and a jacket.

Livescan: The Episcopal Church and our diocese are committed to making our missions and parishes safe for all our people. Livescan is essential to this policy and is now required by law. CA's Assembly Bill 506 requires all administrators, employees, and volunteers of youth-serving organizations – including our churches! – to complete a fingerprint-based state and federal-level background check.

All day on Friday in MR2 downstairs, attendees will have the opportunity to complete livescan fingerprinting for a significantly reduced fee (about half the price charged by the UPS store and other retailers). These scans are not shared with immigration. To complete your livescan, please bring a completed livescan form and a government-issued ID to MR2 in the Lower Concourse.

Congregational Discernment with the Commission on Ministry: On Saturday morning at 8:30 a.m. in MR2 downstairs, Ms. Cameron Johnson, co-chair of the Commission on Ministry, will be hosting a workshop on congregational discernment.

This workshop is for those discerning for lay or ordained ministry and leadership, and for those who have been called to sit on a congregational discernment committee for a person discerning in their congregation. The workshop will briefly cover the discernment process for ordination, as well as the responsibilities and process for congregational (lay) discernment committee members.

About the Bishop Election

This year's Convention is an historic one as the diocese marks the final year of the Rt. Rev. John Harvey Taylor's nine-year episcopate and delegates gather to elect the VIII Bishop of Los Angeles.

Candidates for Bishop Diocesan (in alphabetical order by last name):

The Rev. Dr. Antonio Gallardo, Rector, St. Luke's/San Lucas, Long Beach

The Rev. Monica Burns Mainwaring, Rector, St. Martin in the Fields, Atlanta

The Rev. Canon Melissa McCarthy, Canon to the Ordinary, Diocese of Los Angeles

More information about the Bishop Search can be found [here](#).

Earlier this month, The Episcopal News released "Nomination Report 2025," a PDF magazine format publication, in English and Spanish, of statements and Q&A with the three candidates for eighth bishop of Los Angeles. Printed copies will be available at Convention.

[Nomination Report 2025](#) | [Reporte de Nominación 2025](#)

One of the first orders of business at Convention will be adopting the [Special Rules of Order for the Election of the VIII Bishop of Los Angeles](#). As specified in the Special Rules, nominations will not be accepted from the Floor.

The first ballot is currently scheduled to take place at approx. 11:45 a.m. on Friday morning. Ballots will continue until a candidate is elected by a majority (50% + one) in both orders. (There is no plurality in a Bishop election.)

Voting and announcement of the results of each ballot will intentionally be spaced apart during the business of Convention so as to not rush the process and allow for reflection and discernment.

As soon as an election has been announced, all voting delegates must remain at their tables to sign canonically-required testimonials which will be distributed by diocesan staff.

In the unlikely event that there is not an election by 3:30 p.m. on Saturday, Convention will reconvene at All Saints Episcopal Church in Pasadena at 2:00 p.m. on Sunday, November 9.

Proposed Resolution Regarding Recommitting to the Gospel Work of Sanctuary

Whereas our nation is challenged by current U.S. Government policies explicitly targeting our immigrant congregants and neighbors; and

Whereas that targeting includes mass abductions, detentions and deportations, abandonment of Constitutional rights and legal protections, inhumane incarceration conditions, forced family separation, profiling based on race, ethnicity, language and type of work, and the rescission of sensitive locations status of churches, impeding our call to Christian service and evangelism; and

Whereas the Baptismal Covenant of The Episcopal Church calls us to seek and serve Christ in all persons, loving our neighbor as ourselves; and

Whereas the mission of the church is to spread the Good News of Jesus Christ by striving for justice and peace among all people while respecting the dignity of every human being; and

Whereas in alignment with those core values, the Episcopal Diocese of Los Angeles has declared itself to be a sanctuary diocese by resolutions adopted at its 2016 Diocesan Convention and reaffirmed at its 2018 Diocesan Convention; therefore be it

Resolved, that the 130th Annual Meeting of Convention in the Episcopal Diocese of Los Angeles recommit to this Gospel work by continuing its ministry in the Name of our Savior and Holy Family -- who themselves fled as refugees -- through the work of the Sanctuary Task Force and the Sacred Resistance movement; and be it further

Resolved, that congregations be encouraged to display the notice provided by the diocese indicating that immigration enforcement is not welcome on church properties without a judicial warrant for a particular individual; and be it further

Resolved, that all members of the Diocese encourage legislators in their regions to work toward humane, rational, and comprehensive immigration reform that reflects the best of the American civic virtues of equality and justice, following Christ's Great Commandment to love God and one's neighbor as one's self; and be it further

Resolved, that all members of the Diocese continue to engage in sacred resistance, praying and working for the God's kingdom on earth as in heaven and proclaim God's love for all people, especially those who at this time are living in fear of harassment, persecution, discrimination, and unlawful and unconstitutional abduction, detention and deportation.

Submitted by the Rev. Dr. Francisco García, the Rev. Canon Jaime Edwards-Acton, the Rev. Dr. Greg Kimura, and the Rev. Canon Susan Russell.

Proposed Resolution regarding Dignity, Not Hate, Not Mass Deportation, Not Silence

Whereas “dignity” is not just a word, but rather a framework of principles declaring that all migrants have: 1) a universal right of movement; 2) the right to be secure from arbitrary and abusive detention, forced labor and sexual violence; 3) the right of equality; 4) the right to a basic quality of life; 5) the right to access services; and 6) civil and political rights; therefore be it

Resolved, that the 130th Convention of the Episcopal Diocese of Los Angeles as people of faith, honoring the biblical injunction to love the stranger and immigrant, in line with our commitment to be a Sanctuary Diocese, and building upon our ongoing diocesan work of Sacred Resistance in solidarity with migrants and refugees, therefore affirm our support for Migration with Dignity, the immigrant justice policy adopted by [the 81st General Convention of the Episcopal Church \(Resolution C031\)](#) and oppose all policies and actions that deprive migrants of these rights including, but not limited to, the U.S. Government’s current program of mass detention and deportation; and be it further

Resolved, that the Episcopal Diocese of Los Angeles encourage its parishes, missions, and congregations to observe Migration With Dignity Sunday on a Sunday during the season of Epiphany (as Resolution C031 calls for The Episcopal Church to do)— including prayers for migrants, migration ministries, and Sacred Resistance, such as those provided by the Episcopal Migration Caucus, and educational or formation resources regarding Migration With Dignity— or to participate in a Migration with Dignity formation program, to engage Episcopalians in this diocese with the plight of refugees, migrants, asylum seekers and displaced persons and encourage actions that can be undertaken to assist them and advocate on their behalf, including support for the diocesan Sacred Resistance Task Force; and be it further

Resolved, that the Episcopal Diocese of Los Angeles urges the presiding bishop, president of the House of Deputies and the Executive Council of the Church to promptly establish the Task Force on Migration with Dignity provided for in Resolution C031.

Submitted by the Rev. Dan Justin on behalf of the Episcopal Migration Caucus

Endorsed by Rev. Dr. Francisco García, the Very Rev. Christopher Montella, and the Rev. Stefanie Wilson Brown.

Passed at the 81st General Convention: [Resolution C031](#)

Explanation:

The Episcopal Diocese of Los Angeles has a long history of solidarity with migrants, refugees, and asylum seekers, including our commitment to be a Sanctuary Diocese since 2016, and the ongoing work of Sacred Resistance, which we have redoubled this year in response to the increase in inhumane and racially-motivated immigration actions in Southern California. This resolution builds on those commitments through the framework of “Migration With Dignity,” a set of principles for migration ministry and migrant-solidarity work approved by The Episcopal Church’s General Convention in 2024. The resolution encourages our parishes, missions, and congregations to learn and teach about Migration With Dignity, especially by observing a “Migration With Dignity Sunday” in Epiphany season. Migration With Dignity Sunday and related formation opportunities offer a new entry point for engagement into the work of Sacred Resistance in support of immigrants, on the part of the parishes, missions, and congregations in our diocese.

Proposed Amendment to the Diocesan Constitution & Canons (first reading)

Article VI, Section 16

In addition to the lay members described above in this section, ~~one youth or young adult person, aged 14 to 22, from each Deanery chosen by the Program Group on Youth and Young Adult Ministries, with the consent of the Pastoral/Liturgical Authority of their ecclesial community,~~ ten youth, aged 16, 17, or 18 (and still enrolled in high school at the time of Diocesan Convention), identified in a process approved by Diocesan Council, shall be entitled to seat, voice, and vote at each meeting of Convention.

As amended would read:

In addition to the lay members described above in this section, ten youth, aged 16, 17, or 18 (and still enrolled in high school at the time of Diocesan Convention), identified in a process approved by Diocesan Council, shall be entitled to seat, voice, and vote at each meeting of Convention.

Submitted by Canon Dr. Steven Nishibayashi, Secretary of Convention, and Ms. Missy Morain, Diocesan Missioner for Christian Formation, Children, Youth

Committee on Constitution & Canons recommends adoption. (The full report from the Committee will be included in the Convention booklet.)

Explanation:

The current clause in the diocesan Constitution granting a youth or young adult representative from each Deanery to serve as a delegate to Convention is out of date and runs contrary to the Constitution and Canons of The Episcopal Church and Safe Church practices.

1. As of Convention 2025, the Program Group on Youth and Young Adult Ministries is not active. As such, the selection of youth delegates has not been made by the head of diocesan youth ministries; instead, youth delegates have been selected by leaders in their faith communities and then registered by their Deans.
2. It is important for there to be wide representation, but some Deaneries historically do not elect youth representatives to Convention. Further by specifying only one kind of representation--geographic-- all the other types of representation that should be included for a healthy delegation are absent.

3. A “qualified elector” as defined by the diocesan and Episcopal Church’s Constitution and Canons is 16 years old and up. Therefore, 14- and 15-year-olds cannot be qualified electors and as such are not eligible to serve as voting members at Convention.
4. A program which combines 16–18-year-old high school students with 18–22-year-old individuals not enrolled in high school is not in line with Safe Church practices. (This division in age group and high school enrollment is delineated in the Safe Church Policy for the Protection of Children and Youth as the difference between a youth and an adult.)

The process for choice needs to be flexible to match the current mission and ministry structure of EDLA. The proposed language provides maximum flexibility without having to make constitutional changes in the future.

SPECIAL RULES OF ORDER FOR THE ELECTION OF THE VIII BISHOP OF THE DIOCESE OF LOS ANGELES

These Rules of Order for the election of the VIII Bishop of Los Angeles shall apply during the 2025 Diocesan Convention scheduled to take place November 7 and 8, 2025 at the Riverside Convention Center.

These Rules accede to the Constitution and Canons of the Episcopal Church and of the Diocese of Los Angeles (collectively, “the canons”). Except where inconsistent with the canons or these Rules, Robert’s Rules of Order Newly Revised, the latest edition, shall govern the business proceedings of the Convention.

1. The Convention shall only consider nominees of the Search Committee and any Petition Nominees whose candidacy has been put forward pursuant to the procedures for petition nominations published by the Standing Committee. No nominations will be accepted from the Floor of Convention.
2. Any form of campaigning for or against any nominee shall not be allowed including, but not limited to, distribution of printed materials, speeches, or floor debates. Only written materials approved by the Standing Committee and published by the Convention office shall be permitted on the floor of Convention.
3. Voting will take place using an electronic voting platform. In the event of technical malfunction, voting may take place using paper ballots at the discretion of the President of Convention.
4. There shall be a First Ballot for the election of Bishop, and successive ballots thereafter as necessary, until the Bishop is elected. An election requires a majority (50% plus one) in both Orders on the same ballot. The time permitted between ballots, as well as the order of silence, prayer, music, or other activity between ballots, shall be determined by the President of Convention.
5. A nominee may withdraw from consideration at any time during the Convention by means of oral, written, or electronic communication prior to the next ballot. If the

President of Convention is satisfied as to the legitimacy of the withdrawal, the President may accept the withdrawal.

6. If during or immediately prior to the Convention new adverse information is discovered about a nominee, then upon the request of the President of the Standing Committee, the Convention will be on recess while the Standing Committee reviews the information. If the information appears to be material and from a credible source, the President of the Standing Committee, together with the Chancellor, will discuss the matter with the candidate who will have the option to request a further investigation or to withdraw their nomination. If the nominee requests a further investigation which cannot be completed within a few hours, then the Standing Committee may in its discretion postpone the Convention for a maximum of twenty-eight (28) days for such investigation to be completed by the Standing Committee.
7. If no nominee achieves the required majority in both Orders on the same ballot by 3:30 PM Pacific Time on Saturday, November 8, 2025, and if the President of Convention concludes that the stalemate shall likely not be resolved without significant time for further discernment, reflection, and prayer, the President of Convention may place Convention in recess and thereafter announce a date time and location to reconvene.
8. Immediately following the election, while the Convention remains in session, the President of Convention shall arrange to have the signatures of a constitutional majority of the Convention affixed to the testimonial required by Canon III.11.3(a) of the Episcopal Church, attesting to the due and lawful election of the VIII Bishop of Los Angeles.
9. These Rules of Order shall be effective when adopted by a majority vote (50% plus one) of the Convention. Once adopted, they may not thereafter be suspended or amended except upon motion duly made and seconded, and approved by two-thirds of Convention.

WHO IS ELIGIBLE TO VOTE AT DIOCESAN CONVENTION?

The Constitution & Canons of the Episcopal Diocese of Los Angeles governs representation at the Annual Meeting of Convention.

How representation is decided has undergone very little change in the last two decades, with most of Article VI of the Constitution having been amended most recently in 2003.

Here is an overview of who is entitled to seat, voice and/or vote at Diocesan Convention. (The full text of Article VI is at the end of this document.)

LAY DELEGATES

Parishes and Missions

Each parish and mission of the diocese is entitled to at least one lay delegate, with the total number based off the number of communicants reported on the Parochial Report from two years prior (so for Diocesan Convention 2025, it's based off the 2023 Parochial Report).

Up to 100 communicants = 1 lay delegate
101-200 communicants = 2 lay delegates
201-400 communicants = 3 lay delegates
401-700 communicants = 4 lay delegates
701-1000 communicants = 5 lay delegates
>1000 communicants = 6 lay delegates

If a congregation is entitled to two or more delegates, at least one of them must also be a member of the Vestry/Bishop's Committee.

There is no limit to the number of alternates that a congregation can have, but they must be registered in advance in order to take the place of a delegate. [All information must be received at least 10 days before Convention is called to order.](#)

Ministry Centers aka Missions “not in union” with Convention

“Each Mission recognized by the Bishop and not in union with Convention shall be entitled to one Lay Delegate chosen by its members.”

As of 2025, the Missions recognized by the Bishop that are not in union with Convention are: Holy Spirit; St. Luke's, Fontana; St. Michael's, Riverside; and St. Francis', San Bernardino.

Diocesan Institutions

Diocesan Institutions (for example, Neighborhood Youth Association, Episcopal Communities & Services, and HFS Adoption & Foster Care) are each entitled to one lay delegate. Same procedure applies for alternates.

Deanery Youth Delegates

Each Deanery in the Diocese is entitled to one lay youth delegate. The current language in the C&C is out of date and so a proposed amendment clarifying the procedure for selecting deanery youth delegates will be brought to Convention 2025 for consideration. In the meantime, a qualified elector up to 22 years old can be selected from their Deanery to serve as a lay delegate to Convention.

Other lay active in the diocese

Lay members of Diocesan Council, Standing Committee, and Corporation of the Diocese are entitled to seat and voice (but not vote) at Convention.

Deanery Presidents are also entitled to seat and voice (but not vote) at Convention.

Lay Chairs of Committees of Convention (for example, the Committee on Resolutions) are members *ex-officio*; that is, they are entitled to seat and voice to the extent that they require to perform their office.

CLERGY DELEGATES

All **canonically resident clergy**, or clergy **licensed to officiate**, in **regular standing** are entitled to a **seat** at Convention (as are seminarians, members of monastic orders, and visiting Bishops).

The general criteria to be eligible for **voice and vote**, is that a clergyperson must be **canonically resident, actually resident, parochial, and stipendiary**, which means EDLA clergy living within the geographic bounds of the diocese, employed as the rector/vicar/priest-in-charge/assistant minister at a parish or mission in the diocese, and be paid for their work such that they “qualify for enrollment in the Church Pension Fund.”

There are a bunch of exceptions to this however!

What if I'm...

...not canonically resident?

If you are LTO in charge of an EDLA congregation, you get seat, voice, and vote.

If you are LTO but *not* in charge of a congregation, you get a seat.

If you are neither and just visiting, you are welcome to watch the livestream on Facebook and YouTube or join us in the visitors' section next to the floor of Convention.

...not actually resident?

If you are a priest-in-charge of an EDLA congregation, a seminary instructor, or chaplain in the Armed Forces of the United States, or if you are an employee of the diocese, a diocesan institution, or The Episcopal Church, you are still entitled to seat, voice, and vote.

If you don't fall under these exceptions, you are entitled to seat only at Convention.

...not parochial?

If you are active in ordained ministry but are not assigned to a specific congregation (for example, because you are employed at an institution or serving as a supply at multiple congregations), you are still entitled to seat, voice, and vote at Convention.

Please file your [Annual Ministry Report](#) form to keep the diocese informed of your work in the last year. If you file it at least one week before Convention, your credentials will be ready and waiting for you!

...not stipendiary?

If you are active in ordained ministry but are not receiving compensation for your work such that you "qualify for enrollment in the Church Pension Fund," you are still entitled to seat, voice, and vote at Convention **as long as you file your [Annual Ministry Report](#) form** to keep the diocese informed of your work in the last year.

...not active in ministry?

If you are not active in ordained ministry because you are primarily engaged in secular work, you are not eligible to vote at Convention.

However, if you are not active due to age or health, or if you are only temporarily without charge, this does not affect your eligibility to vote. **Please file your [Annual Ministry Report](#)** to keep the diocese up to date with your status.

What about retired clergy?

Canonically resident and actually resident retired clergy are entitled to vote at Convention.

(Article VI, Section 15 specifies that clergy “shall not be deprived of these privileges because disabled from the functions of the office to which ordained, by age or infirmity,” so if you were previously eligible to vote, being retired because of age or health won’t take that away from you. Canonically resident and actually resident still applies though unless you fall under one of the exceptions listed above.)

If you are retired and still associated with a congregation, please make sure the person registering your congregation’s delegates to Convention lists you on their form. ([Lay and Clergy are registered on the same form now.](#)) That’ll ensure you’re seated with your congregation’s delegation.

If you are *not* associated with a congregation, you need to **file an [Annual Ministry Report here](#)**, regardless of employment status or activity.

[Annual Ministry Reports](#) are due December 31, but if you file by November 1 (at least one week before Convention) that’ll ensure that your credentials are ready and waiting for you at Registration.

Why is this so complicated?

Answering the call of ordained ministry is complicated and being an active part of the diocese doesn’t look the same for everyone.

Are these rules new?

Not at all. The rules governing clergy eligibility to vote have not been revised in over 20 years.

The Episcopal Diocese of Los Angeles

To: The 130th Annual Convention of the Episcopal Diocese of Los Angeles

From: Canon Andrew Tomat, Treasurer of the Diocese

Subject: Treasurer's Report on 2026 Budget

Greetings Delegates,

As this will be my last time presenting a budget for your consideration, before getting to the 2026 budget, I'd like to recap our collective fiscal stewardship these past 7 years by taking a brief look at the performance of our consolidated assets and liabilities during this period. This is something I don't usually cover at Convention as it falls under the fiduciary responsibility of the Corporation of the Diocese (COTD) and Bishop as Corporation Sole (Corp Sole) respectively. With the assistance of the finance office, I prepared a series of charts to review with the bishop candidates, and I thought I'd review some of them with you all as well.

This results shown below could not have been possible without the collective support of all churches large and small in supporting the diocese through timely assessment payments to the mission share fund, the growth of our self-sustaining grant-funded ministries, the generosity of individual donors large and small in supporting fundraising appeals, and especially the diligent work of our CFO, the Rev. Susan Stanton, Controller Martha Macias and the rest of the finance office and diocesan staff in closely monitoring and controlling the fiscal resources entrusted to us.

Part I – Review of VII Episcopate Financial Performance 2019-2025

Chart 1 – Cash & Investments at Market Value (COTD & Corp Sole)

Chart 1 shows a history from 2019-Aug 2025 of all the cash and investment accounts controlled by COTD and Corp Sole grouped by their restrictions (as validated by the finance office and outside auditors). All investments are shown at market value as of the end of each period per the audited financial statements.

In 2022 all investment funds declined due to ~20% market decline, but donor restricted cash (in orange) went up due to construction loan proceeds for the Santa Angelina affordable housing project at Blessed Sacrament in Placentia.

In 2025, our fiscal assets have gone up due to receipts of several new prepaid grants including: a \$1,250,000 four-year Lilly Endowment, Inc. grant to fund Child Formation, a \$300,000 Trinity Wall Street & the Iona Collaborative grant to fund the Center for Lay Chaplaincy, and a \$170,000 Episcopal Relief and Development grant for disaster recovery and resilience (all shown as donor restricted cash in orange). In addition, the real estate task force facilitated the sale of a vacant building in Echo Park (included in unrestricted cash in light blue).

On the liability side our only diocesan level debt is the \$143,000 remaining in the bishop's residence mortgage. There are also \$5,400,000 in mission church & institution loans on both COTD and Corp Sole books that the diocese serves as guarantor. There are also approximately \$10 million in funds held for other churches & institutions (FHFO) which are listed as both assets and offsetting liabilities.

You'll note that our unrestricted cash and investments (shown in light blue and at the bottom of the table) which were depleted during the 2022 downturn have been slowly restored to the minimum levels needed to cover diocesan cash flow needs. Our projected 2025 endowment fund withdraws are 3.31% of the past 3 year (2022-24) average balances in line with the endowment policy, however withdrawals from unrestricted funds are 13.15% which isn't sustainable over the long term.

The overall result shown in Chart 1 was due to stable assessment income, making prudent withdrawals from our various investment funds to fund the purposes intended, monetizing our real estate by leasing out a major portion of our diocesan HQ in Echo Park, and the work of the real estate task force in selling vacant non-sacred properties that were costing us real estate taxes and insurance.

Table A below shows the individual fund details.

Chart 2 below shows the breakout in assets between the portion managed by COTD and Corp Sole managed by the Bishop. The Corp Sole portion is much smaller now because the Bishop has transferred most of the liquid Corp Sole assets over to COTD, including the \$8 million Smith fund transferred this year. In addition, starting in 2026, at the direction of COTD, Camp Stevens financials are planned to be consolidated into COTD's books to improve the visibility and fiscal oversight of this critical mission of the diocese.

Finally Chart 3 shows our history of Fundraising,

Chart 3 – Fundraising History

We learned many lessons from the various fundraising appeals that we’ve undertaken. Chief among them is the tremendous generosity across our diocese to support both long term and immediate needs. We also learned that it needn’t cost a lot to run a successful campaign with a dedicated team of experienced volunteers and staff.

Part II – Proposed 2026 Budget

The pages which follow show the proposed \$13,425,000 consolidated budget as reviewed and approved by the Joint Budget Committee consisting of the Rev. Patricia Stansfield and the Rev. Tim Hartley from Diocesan Council and Dr. Charlotte Borst, Art Gregorian, and Mary Pierson from Corporation of the Diocese and recommended for your consideration by Diocesan Council.

Initially we had expected to show you a budget which was similar to 2025 except for the loss of IRIS' federal funding. However, due to a variety of changes covered below, including significant new 3rd party grant-funded programs and the consolidation of Camp Stevens income and expenses with the rest of COTD's books, we end up with a consolidated budget that is a \$1,624,500 increase over 2025.

The budget presentation is organized as follows:

- Chart 4 – Summary of change in expenses from 2025 to 2026. The line-item detail for each change is cross referenced to a yellow highlighted row# in Table C at the back of this report.
- Chart 5 - Summary of change in income from 2025 to 2026 with similar cross reference to row# in Table C.
- Proposed Budget Motion
- Table B – Budget Summary by Funding Authority. The MSF portion which Convention will consider is \$6,650,500. The COTD and Corp Sole portions have already been approved.
- Table C – Line-item detail showing 2025-2026 changes

Chart 4 below shows how we get from the 2025 budget of \$11,800,500 to the proposed \$13,425,000 in consolidated expenses for 2026. The major expense decrease is the reduction in IRIS refugee resettlement expenses due to the change in federal policy. The main expense increases are the one-time bishop transition-related expenses as recommended by the COTD compensation committee and approved by the Standing Committee; new grant funded programs being undertaken by Seeds of Hope, the Center for Lay Chaplaincy, Child Formation, disaster recovering and resilience work we will be doing in the communities most impacted by the Eaton and Palisades fires; and the transfer of Camp Stevens staff and other expenses over to COTD's books. At the suggestion of Diocesan Council, we also are now budgeting for annual fund grants. As will be shown in the next chart. \$1,167,984 of this spending is covered by new income sources and up to \$456,516 in mostly one-time expenses will be covered by cash and restricted fund withdrawals.

Chart 5 shows the change in income used to cover the budget increase. Assessment income is assumed to be the same as 2025. As with expenses, the biggest income decrease is the loss of IRIS funding from Episcopal Migration Ministries (EMM) following the Episcopal Church's decision to end its relationship with the federal government due to changes in refugee policy. The biggest increase is Camp Stevens budgeted income from camper fees and adult retreat fees which will now be part of COTDs income. The cost of the bishop transition will largely be funded by withdraws from a variety of legacy funds restricted to support the bishop and their housing needs. A fundraising target of \$180,000 was added at the request of Diocesan Council. Seeds of Hope has been very successful in securing new grants from corporate and non-profit institutions which will near nearly double the scale of its ministry in 2026. And finally new grants have already been received from Lilly Endowment, Inc. to support our new child formation ministry; from Trinity Wall St & the Iona Collaborative to support the Center for Lay Chaplaincy, and from Episcopal Relief and Development to support a new disaster recovery and resilience team.

While the scale of the year-over-year change is significant, other than the changes mentioned above, all other income and expenses remain roughly at 2025 levels as is shown in Tables B&C.

Year-to-date through August 2025 our latest consolidated financials reported to Diocesan Council show that we are running at approx. break-even thanks to timely assessment payments to the mission share fund.

	YTD Aug 2025	2025 Budget
MSF Assessment Payments	\$3,571,869 (slightly ahead of plan)	\$5,100,000
Total Income	\$7,466,084	\$11,892,580
Total Expenses	\$6,500,781	\$11,800,500
Income - Expenses	\$965,302	\$92,080
Income – Expense without carry over grants for IRIS, Seeds of Hope, & CFLC	\$311,127 (this is a truer representation of our actual bottom line)	\$92,080

I appreciate your consideration of this budget and have been honored to serve as your volunteer treasurer these past 7 years. I could not have done it without the support of the Bishop, Canon Melissa and especially the diligent, transformative work done by Rev. Susan, Martha, and the financial office staff.

Proposed motion for Convention:

Based on the recommendation of the Joint Budget Committee and Diocesan Council, the 130th Convention moves to approve a \$6,650,500 mission share fund budget (including the 12% parish assessment and 10%+5% mission assessment) for 2026 as part of the total \$13,425,000 consolidated diocesan budget

Sincerely yours,

*Canon Andrew Tomat
Treasurer of the Diocese*
